### **EVITA**

**Theo Ubique Theatre Co.** presents its boldest work to date! Following the successes *Jacques Brel's Lonesome Losers of the Night*, *Belle Barth: If I Embarrass You, Tell Your Friends*, and the Jeff Award-Winning production of *Cabaret*, Theo Ubique has fused its trademark "cabaret theatre" with evocative rock opera in their production of Andrew Lloyd Webber's *Evita*. We invite you to return to the poignant music and story of Eva Peron, seen through the eye of the revolutionary, Ché Guevara!
